SELLING STOCKHOLDERS

This prospectus relates to the possible resale by the Selling Stockholders of up to 103,123,858 shares of our Common Stock. The Selling Stockholders may from time to time offer and sell any or all of the Common Stock set forth below pursuant to this prospectus. When we refer to the “Selling Stockholders” in this prospectus, we mean the persons listed in the table below, and the pledgees, donees, transferees, assignees, successors and others who later come to hold any of the Selling Stockholders’ interest in Common Stock other than through a public sale.

The following table sets forth, as of the date of this prospectus, the names of the Selling Stockholders, the number of shares of our Common Stock and the percentage of shares of our Common Stock beneficially owned by each Selling Stockholder prior to the offering for resale of the shares under this prospectus, the aggregate principal amount that the Selling Stockholders may offer pursuant to this prospectus and the percentage of our Common Stock to be beneficially owned by each Selling Stockholder after completion of the offering of the resale shares, assuming that all shares offered under this prospectus are sold as contemplated herein.

Beneficial ownership for the purposes of the following table is determined in accordance with the rules and regulations of the SEC. These rules and regulations generally provide that a person is the beneficial owner of securities if such person has or shares the power to vote or direct the voting thereof, or to dispose or direct the disposition thereof or has the right to acquire such powers within 60 days. The percentages of shares of Common Stock owned by a particular Selling Stockholder are based on 106,274,527 shares of Common Stock that are outstanding as of August 24, 2017.

We cannot advise you as to whether the Selling Stockholders will in fact sell any or all of such shares of Common Stock. Pursuant to the terms and subject to the conditions of the Merger Agreement and certain lock-up agreements entered into at the Closing Date, the Selling Stockholders will not be able to sell any of the shares of Common Stock (subject to limited exceptions) until one hundred and eighty days after the consummation of the Business Combination. The restriction on sales will end earlier than such date with respect to 50% of such shares immediately if the closing price of Common Stock exceeds \$12.50 per share (as adjusted for share splits, share dividends, reorganizations and recapitalizations) for any 20 trading days within any 30-trading day period following the consummation of the Transactions.

Pro Forma Selling Stockholders

We issued to the Selling Stockholders 103,123,858 shares of our Common Stock in connection with our initial public offering and the subsequent Business Combination.

We issued Warrants to purchase up to 12,081,895 shares of our Common Stock. The Warrants are currently exercisable and expire five years after the completion of the Business Combination or earlier upon redemption or liquidation. The Warrants have an exercise price of \$11.50 per Warrant and are callable by us at a price of \$17.50 per Warrant. If we call the Warrants for redemption, we have the right to require all holders to exercise their Warrants on a cashless basis.

In connection with the Business Combination, we agreed that certain of our Selling Stockholders are entitled to receive four separate tranches of 4,893,326 shares of our Common Stock each (up to 19,573,304 shares in the aggregate) upon the achievement of each of the following milestones:

- Milestone 1 — We or one or more of our subsidiaries receive a Final Environment Impact Statement issued by the Federal Energy Regulatory Commission (“FERC”) by June 30, 2018.
- Milestone 2 — The execution by us or one or more of our subsidiaries of a binding sale and purchase or tolling agreement (with customary conditions precedent) for the sale and purchase of, or the provision of tolling services with respect to, at least 1 million tons of LNG per annum by June 30, 2018.
- Milestone 3 — The execution by us or one or more of our subsidiaries of an engineering procurement and construction contract (with customary conditions precedent) for the construction of the Rio Grande LNG export terminal by December 31, 2018.
- Milestone 4 — An affirmative vote of our board of directors of to make a final investment decision for the Rio Grande LNG or Rio Bravo Pipeline projects by June 30, 2019.

In addition, in connection with the Business Combination, we agreed that certain of our Selling Stockholders are entitled to receive restricted shares of our Common Stock, in an amount based on the number of Common Stock outstanding at the time of achieving each of the following milestones:

- Milestone 1 — 6.25% upon the execution by the Company of a final agreement with an engineering, procurement and construction (EPC) contractor for an LNG facility.
- Milestone 2 — 25.00% upon the execution of one or more binding LNG sale and purchase or tolling agreements, with customary conditions precedent, providing for an aggregate of at least 3.825 million tons per annum.
- Milestone 3 — 68.75% upon reaching a positive final investment decision for the Rio Grande LNG project.

We estimate that the aggregate number of restricted shares to be issued will not exceed 7,500,000 shares.

The following table shows: (i) the number of shares of our Common Stock currently held by each of the Selling Stockholders; (ii) the number of shares of our Common Stock that would be issued to each of the Selling Stockholders assuming that all of the Warrants are exercised for \$11.50 in cash; (iii) the number of shares of our Common Stock that would be issued to each of the Selling Stockholders assuming the Company achieved all of the milestones and (iv) the number of restricted shares of our Common Stock that would be issued to each of the Selling Stockholders assuming the Company achieved all of the milestones.

DESCRIPTION OF CAPITAL STOCK

The following is a summary of our capital stock and provisions of our amended and restated certificate of incorporation and our bylaws (the "Bylaws") and certain provisions of Delaware law. This summary does not purport to be complete and is qualified in its entirety by the provisions of our amended and restated certificate of incorporation and Bylaws. Our second amended and restated certificate of incorporation and our amended and restated Bylaws are incorporated by reference and filed as exhibits to the registration statement of which this prospectus forms a part.

Authorized and Outstanding Stock

Our Second Amended and Restated Certificate of Incorporation (our "Certificate of Incorporation") authorizes the issuance of 481,000,000 shares of capital stock, consisting of (i) 480,000,000 shares of Common Stock and (ii) 1,000,000 shares of preferred stock, par value \$0.0001 per share. The outstanding shares of capital stock are duly authorized, validly issued, fully paid and non-assessable. As of August 24, 2017, there were 106,274,527 shares of Common Stock outstanding, held of record by 49 holders, no shares of preferred stock outstanding and 12,081,895 Warrants outstanding held of record by nine holders. Such numbers do not include DTC participants or beneficial owners holding shares through nominee names.

Common Stock

Voting Power

Except as otherwise required by law or as otherwise provided in any certificate of designation for any series of preferred stock, the holders of our Common Stock exclusively possess all voting power for the election of our directors and all other matters requiring stockholder action and will at all times vote together as one class on all matters submitted to a vote of our stockholders. Holders of our Common Stock are entitled to one vote per share on matters to be voted on by stockholders.

Dividends

Subject to the prior rights of all classes or series of stock at the time outstanding having prior rights as to dividends or other distributions, our stockholders are entitled to receive such dividends and other distributions, if any, as may be declared from time to time by the board of directors (our "Board of Directors" or "Board") in its discretion out of funds legally available therefor and shall share equally on a per share basis in such dividends and distributions.

Liquidation, Dissolution and Winding Up

In the event of the voluntary or involuntary liquidation, dissolution, or winding-up of the Company, the holders of our Common Stock are entitled to receive their ratable and proportionate share of the remaining assets of the Company, after the rights of the holders of the preferred stock have been satisfied.

Election of Directors

The Board of Directors is currently divided into three classes, Class A, Class B and Class C, with only one class of directors being elected in each year and each class (except for those directors appointed prior to our first annual meeting of stockholders) serving a three-year term. There is no cumulative voting with respect to the election of directors.

Preferred Stock

The Certificate of Incorporation provides that shares of preferred stock may be issued from time to time in one or more series. The Board of Directors is authorized to fix the voting rights, if any, designations, powers, preferences, the relative, participating, optional or other special rights and any qualifications, limitations and restrictions thereof, applicable to the shares of each series. The Board of Directors is able, without stockholder approval, to issue preferred stock with voting and other rights that could adversely affect the voting power and other rights of the holders of our Common Stock and could have anti-takeover effects. The ability of the Board of Directors to issue preferred stock without stockholder approval could have the effect of delaying, deferring or preventing a change of control of the Company or the removal of existing management. As of the date hereof, we have no shares of preferred stock outstanding. For more information, please read our Definitive Proxy Statement.

Dividends

We have not paid any cash dividends on shares of our Common Stock to date. The payment of cash dividends in the future will be dependent upon our revenues and earnings, if any, capital requirements and general financial condition. The payment of any dividends subsequent to an initial business combination will be within the discretion of the then board of directors.

Certain Anti-Takeover Provisions of Delaware Law

Staggered Board of Directors

Our Certificate of Incorporation provides that the Board of Directors will be classified into three classes of directors of approximately equal size. As a result, in most circumstances, a person can gain control of our Board only by successfully engaging in a proxy contest at two or more annual meetings.

Special Meeting of Stockholders

Our Bylaws provide that special meetings of our stockholders may be called only by a majority vote of the board of directors.

Advance Notice Requirements for Stockholder Proposals and Director Nominations

Our Bylaws provide that stockholders seeking to bring business before an annual meeting of stockholders, or to nominate candidates for election as directors at an annual meeting of stockholders must provide timely notice of their intent in writing. To be timely, a stockholder's notice must be delivered to Company's principal executive offices not less than 60 days nor earlier than 90 days prior to the meeting. In the event that less than 70 days' notice or prior public disclosure of the date of the annual meeting of stockholders is given, a stockholder's notice shall be timely if delivered to Company's principal executive offices not later than the close of business on the 10th day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure was mailed or such public disclosure was made, whichever first occurs. Company's Bylaws also specify certain requirements as to the form and content of a stockholders' meeting. These provisions may preclude Company stockholders from bringing matters before an annual meeting of stockholders or from making nominations for directors at an annual meeting of stockholders.

Authorized but Unissued Shares

The Company's authorized but unissued shares of Common Stock and preferred stock are available for future issuances without stockholder approval and could be utilized for a variety of corporate purposes, including future offerings to raise additional capital, acquisitions and employee benefit plans. The existence of authorized but unissued and unreserved shares of Common Stock and preferred stock could render more difficult or discourage an attempt to obtain control of us by means of a proxy contest, tender offer, merger or otherwise.

Exclusive Forum Selection

The current Certificate of Incorporation requires, to the fullest extent permitted by law, that derivative actions brought in Company's name, actions against directors, officers and employees for breach of fiduciary duty and other similar actions may be brought only in the Court of Chancery in the State of Delaware. Although Company believes this provision benefits it by providing increased consistency in the application of Delaware law in the types of lawsuits to which it applies, the provision may have the effect of discouraging lawsuits against Company's directors and officers.

Rule 144

A person who has beneficially owned restricted shares of Common Stock for at least six months would be entitled to sell their shares provided that (1) such person is not deemed to have been one of Company's affiliates at the time of, or at any time during the three months preceding, a sale and (2) Company is subject to the Exchange Act periodic reporting requirements for at least three months before the sale. Persons who have beneficially owned restricted shares of Common Stock for at least six months but who are Company's affiliates at the time of, or any time during the three months preceding, a sale, would be subject to additional restrictions, by which such person would be entitled to sell within any three-month period a number of shares that does not exceed the greater of either of the following:

- 1% of the number of shares then outstanding; and
- the average weekly trading volume of the shares of Common Stock during the four calendar weeks preceding the filing of a notice on Form 144 with respect to the sale.

Sales under Rule 144 are also limited by manner of sale provisions and notice requirements and to the availability of current public information about Company.

Restrictions on the Use of Rule 144 by Shell Companies or Former Shell Companies

Rule 144 is not available for the resale of securities initially issued by shell companies (other than business combination related shell companies) or issuers that have been at any time previously a shell company. However, Rule 144 also includes an important exception to this prohibition if the following conditions are met:

- the issuer of the securities that was formerly a shell company has ceased to be a shell company;
- the issuer of the securities is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act;
- the issuer of the securities has filed all Exchange Act reports and material required to be filed, as applicable, during the preceding 12 months (or such shorter period that the issuer was required to file such reports and materials), other than Form 8-K reports; and
- at least one year has elapsed from the time that the issuer filed current Form 10 type information with the SEC reflecting its status as an entity that is not a shell company.

As of August 24, 2017, there are 106,274,527 shares of Common Stock outstanding, and 12,081,895 Warrants originally sold as part of the units issued in the IPO. Each Warrant is exercisable for one share of our Common Stock, in accordance with the terms of the warrant agreement governing the Warrants. These Warrants are public warrants and are freely tradable.

Following the consummation of the Business Combination, we are no longer a shell company, and so, once the conditions set forth in the exceptions listed above are satisfied, Rule 144 will become available for the resale of the above noted restricted securities.

Transfer Agent and Warrant Agent

The transfer agent for our securities and warrant agent for our Warrants is Continental Stock Transfer & Trust Company, One State Street Plaza, 30th Floor, New York, NY 10004-1561.

Quotation of Securities

Our Common Stock is traded on Nasdaq under the symbol “NEXT” and the Warrants trade under the symbol “NEXTW.”

PLAN OF DISTRIBUTION

The Selling Stockholders, which as used herein includes donees, pledgees, transferees or other successors-in-interest selling shares of our Common Stock or interests in shares of our Common Stock received after the date of this prospectus from the Selling Stockholders as a gift, pledge, partnership distribution or other transfer, may, from time to time, sell, transfer or otherwise dispose of certain of their shares of our Common Stock or interests in shares of our Common Stock on any stock exchange, market or trading facility on which the shares are traded or in private transactions. These dispositions may be at fixed prices, at prevailing market prices at the time of sale, at prices related to the prevailing market price, at varying prices determined at the time of sale, or at negotiated prices.

The Selling Stockholders may use any one or more of the following methods when disposing of shares or interests therein:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- one or more underwritten offerings;
- block trades in which the broker-dealer will attempt to sell the shares as agent, but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- an over-the-counter distribution in accordance with the rules of the Nasdaq Capital Market;
- through trading plans entered into by a Selling Stockholder pursuant to Rule 10b5-1 under the Exchange Act that are in place at the time of an offering pursuant to this prospectus and any applicable prospectus supplement hereto that provide for periodic sales of its securities on the basis of parameters described in such trading plans;
- privately negotiated transactions;
- in a rights offering;
- internal distributions to their members, partners or shareholders;
- short sales effected after the date the registration statement of which this prospectus is a part is declared effective by the SEC;
- by pledge to secured debt and other obligations;
- delayed delivery arrangements;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- in “at the market” offerings, as defined in Rule 415 under the Securities Act, at negotiated prices, at prices prevailing at the time of sale or at prices related to such prevailing market prices, including sales made directly on a national securities exchange or sales made through a market maker other than on an exchange or other similar offerings through sales agents;
- broker-dealers may agree with the Selling Stockholders to sell a specified number of such shares at a stipulated price per share; and
- a combination of any such methods of sale or any other method permitted by applicable law.

To the extent required, this prospectus may be amended or supplemented from time to time to describe a specific plan of distribution. The Selling Stockholders may, from time to time, pledge or grant a security interest in some of the shares of our Common Stock owned by them and, if a Selling Stockholder defaults in the performance of its secured obligations, the pledgees or secured parties may offer and sell the shares of our Common Stock, from time to time, under this prospectus, or under an amendment or supplement to this prospectus amending the list of the Selling Stockholders to include the pledgee, transferee or other successors in interest as the Selling Stockholders under this prospectus. The Selling Stockholders also may transfer the shares of our Common Stock in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

[Table of Contents](#)

In connection with the sale of our Common Stock or interests therein, the Selling Stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of our Common Stock in the course of hedging the positions they assume. The Selling Stockholders may also sell shares of our Common Stock short and deliver these securities to close out their short positions, or loan or pledge our Common Stock to broker-dealers that in turn may sell these securities. The Selling Stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The aggregate proceeds to the Selling Stockholders from the sale of our Common Stock offered by them will be the purchase price of our Common Stock less discounts or commissions, if any. The Selling Stockholders reserve the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of our Common Stock to be made directly or through agents. We will not receive any of the proceeds from any offering by the Selling Stockholders.

The Selling Stockholders also may in the future resell a portion of the shares of our Common Stock in open market transactions in reliance upon Rule 144 under the Securities Act, provided that they meet the criteria and conform to the requirements of that rule, or pursuant to other available exemptions from the registration requirements of the Securities Act.

The Selling Stockholders and any underwriters, broker-dealers or agents that participate in the sale of our Common Stock or interests therein may be “underwriters” within the meaning of Section 2(11) of the Securities Act. Any discounts, commissions, concessions or profit they earn on any resale of the shares of our Common Stock may be underwriting discounts and commissions under the Securities Act. If any Selling Stockholder is an “underwriter” within the meaning of Section 2(11) of the Securities Act, then the Selling Stockholder will be subject to the prospectus delivery requirements of the Securities Act. Underwriters and their controlling persons, dealers and agents may be entitled, under agreements entered into with us and the Selling Stockholders, to indemnification against and contribution toward specific civil liabilities, including liabilities under the Securities Act.

To the extent required, the shares of our Common Stock to be sold, the respective purchase prices and public offering prices, the names of any agents, dealer or underwriter, and any applicable discounts, commissions, concessions or other compensation with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus.

To facilitate the offering of the shares of our Common Stock offered by the Selling Stockholders, certain persons participating in the offering may engage in transactions that stabilize, maintain or otherwise affect the price of our Common Stock. This may include over-allotments or short sales, which involve the sale by persons participating in the offering of more shares than were sold to them. In these circumstances, these persons would cover such over-allotments or short positions by making purchases in the open market or by exercising their over-allotment option, if any. In addition, these persons may stabilize or maintain the price of our Common Stock by bidding for or purchasing shares in the open market or by imposing penalty bids, whereby selling concessions allowed to dealers participating in the offering may be reclaimed if shares sold by them are repurchased in connection with stabilization transactions. The effect of these transactions may be to stabilize or maintain the market price of our Common Stock at a level above that which might otherwise prevail in the open market. These transactions may be discontinued at any time.

Selling Stockholders may use this prospectus in connection with resales of the Common Stock. The applicable prospectus supplement will identify the Selling Stockholders, the terms of the Common Stock and any material relationships between us and the Selling Stockholders. Selling Stockholders may be deemed to be underwriters under the Securities Act in connection with the Common Stock they resell and any profits on the sales may be deemed to be underwriting discounts and commissions under the Securities Act. Unless otherwise set forth in a prospectus supplement, the Selling Stockholders will receive all the net proceeds from the resale of the Common Stock.

A Selling Stockholder that is an entity may elect to make an in-kind distribution of the shares of common stock to its members, partners or shareholders pursuant to the registration statement of which this prospectus is a part by delivering a prospectus. To the extent that such members, partners or shareholders are not affiliates of ours, such members, partners or shareholders would thereby receive freely tradable shares of common stock pursuant to the distribution through a registration statement.

Exercise of Warrants

The Warrants may be exercised upon the surrender of the certificate evidencing such warrant on or before the expiration date at the offices of the warrant agent, Continental Stock Transfer & Trust Company, in the Borough of Manhattan, City and State of New York, with the subscription form, as set forth in the Warrants, duly executed, accompanied by full payment of the exercise price in cash, good certified check or good bank draft payable to us, for the number of Warrants being exercised. At the option of our management, the Warrants may be required to be exercised on a cashless basis pursuant to the warrant agreement governing the Warrants. In such event, the notice of redemption will contain the information necessary to calculate the number of shares of Common Stock to be received upon exercise of the Warrants.

No fractional shares will be issued upon the exercise of the Warrants. Item 15. Indemnification of Directors and Officers

The Registrant is incorporated under the laws of the State of Delaware. Section 102(b)(7) of the DGCL allows a corporation to provide in its certificate of incorporation that a director of the corporation will not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except where the director breached the duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase in violation of Delaware corporate law or obtained an improper personal benefit. The Registrant's Certificate of Incorporation provides for this limitation of liability.

Section 145 of the DGCL ("Section 145") provides that a Delaware corporation may indemnify any person who was, is or is threatened to be made party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was illegal. A Delaware corporation may indemnify any persons who are, were or are threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation by reason of the fact that such person is or was a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests, provided that no indemnification is permitted without judicial approval if the officer, director, employee or agent is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him against the expenses which such officer or director has actually and reasonably incurred.

Table of Contents

The indemnification rights set forth above shall not be exclusive of any other right which an indemnified person may have or hereafter acquire under any statute, provision of the Registrant's Certificate of Incorporation or Bylaws, agreement, vote of stockholders or disinterested directors or otherwise.

Under Section 6.1 of our Bylaws, the Company shall indemnify and provide advancement to any current or former director or officer of the Company (the "Indemnitee") against any threatened, pending or completed action, suit, arbitration, mediation, alternate dispute resolution mechanism, investigation, inquiry, administrative hearing or any other actual, threatened or completed proceeding (as such term is more specifically defined in Section 6.7(c) of our Bylaws, the "Proceeding") to the fullest extent permitted by law, as such may be amended from time to time. The Company shall indemnify such Indemnitee against all expenses, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by him or her, or on his or her behalf, in connection with such Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company, and with respect to any criminal Proceeding, had no reasonable cause to believe Indemnitee's conduct was unlawful.

On the Closing Date, the Company completed the Business Combination. In connection with the Business Combination, the Company has agreed that it will indemnify, defend and hold harmless Harmony Merger Corp. and NextDecade, LLC and their respective representatives, successors and permitted assigns (the "Parent Indemnitees") from and against losses, liabilities, damages, judgments, awards, orders, penalties, settlements, costs and expenses (as such term is more specifically defined in Section 9.1(b) of the Merger Agreement, "Losses") asserted against, resulting to, imposed upon, or incurred by any Parent Indemnitee, arising out of or resulting from, with limitation, (i) the inaccuracy or breach of any representation or warranty given by the Blocker Companies or NextDecade, LLC in the Merger Agreement, (ii) the non-fulfillment or breach of any covenant or agreement of the Blocker Companies or NextDecade, LLC in the Merger Agreement, and (iii) the activities of the Blocker Companies or the Blocker Merger.

Item 16. Exhibits and Financial Statement Schedules

(a) Exhibits.

The exhibit index attached hereto is incorporated herein by reference.

Item 17. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement.

Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act to any purchaser:
 - (A) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.
- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
