Explanation of Responses:

1. Shares are represented by performance-based restricted stock units ("PSUs"). Each PSU represents a contingent right to receive one share of common stock of the Issuer, subject to the performance condition and continued employment through August 31, 2025 (the "Performance Period"). The performance condition will be satisfied based upon the Issuer's common stock achieving specified price per share thresholds on a volume-weighted average basis for the 20 trading days immediately preceding the end of the Performance Period.
